As part of graduation requirements, students must complete 40 hours of volunteer work or service learning during grades 10-12.

The work must:

- Benefit the community in some way
- NOT contribute to the financial gain of a private business (i.e., organizations other than charities or non-profits) or individuals (including the student)
- Be supervised by an adult that can verify the work
- Not be done on-campus or for the direct benefit of Alsion Montessori Middle/High School

All hours are subject to verification. If you are unsure whether the work you're doing conforms to the guidelines above, confirm with the program director *before* you begin the volunteer work.
